- No glass beverage containers within the park
- Even though permission has been given to use a specific shelter or pavilion on a desired day, the park will still be open to the public. However, the other individuals will be advised of your use
- Dogs are only allowed in the parks if they are on a leash. Owner and/or handler are required to carry a "pooper scooper" and clean up after pets at ALL times
- Pack out what you pack in. We ask that all users pick up and remove ALL debris generated from their function and leave the area clean, this includes carrying out garbage.
- Do not move the trash cans, tables, or benches
