Commissioner Johnson swore in Linda Staub for Adult and Teen Challenge and Brad Wills, Assessor.

Linda Staub requested that the board approve an exemption on the property as per Idaho Code 63-602AA exceptional value exemption. Commissioner Reinke noted that errors were made on both sides so the exemption is appropriate. Ms. Staub will keep up on the exemption for future years.

Commissioner Hall made a MOTION to approve a full exemption for Adult and Teen Challenge for parcel #RP10S15E108600A as per Idaho Code 63-602AA. Commissioner Reinke SECONDED. Three Amigos Radio Rondevo Event Center – RPT0001101005A and RPT0001101001A

Commissioner Johnson swore in Alex Castaneda for Three Amigos Radio Rondevo Event Center. Brad Wills, Assessor was previously sworn in. Commissioner Hall and Brad Wills disclosed that they have personal relationships with Mr. Castaneda, however, they both felt they could be impartial.

Alex Castaneda spoke with the Board and noted that there was a fire at the Radio Rondevo Event Center on April 12, 2022. The property is unable to generate income and the loss is still being reviewed by insurance.

Brad Wills, Assessor reviewed parcel #RPT0001101001A located at 249 Main Ave. West Twin Falls. Mr. Wills noted the property is a parking lot valued just over \$80,000.00. The parking lot was not damaged from the fire so it does not appear that that parcel would qualify for a casualty loss exemption. Mr. Castaneda noted that the parking lot is integral to the Radio Rondevo business so it should be considered as part of that business. Commissioner Hall reviewed the state

code applicable to the casualty loss which states that “the real or personal property has been damaged or destroyed”. The code is very specific on how the County can apply exemptions.

Commissioner Hall made a MOTION to approve a property tax exemption as per IC 63-602x casualty loss on parcel #RPT0001101001A for 249 Main Ave. West. Commissioner Reinke SECONDED. Discussion Commissioner Hall noted that state code is very specific on when an exemption can be given and the property does not qualify. Commissioner Reinke noted that it does not appear that the property was damaged by the fire so it would not qualify for the exemption. Motion Failed Unanimously.

Alex Castaneda noted there was a fire at the property located at 229 Main Ave West, parcel #RPT0001101005A on April 12, 2022. Mr. Castaneda still does not have access to the property due to the fire investigation. Brad Wills, Assessor reviewed the property and the value that was set for tax year 2022. Mr. Wills noted that the property was damaged and only had use for 27.9% of the year. Based upon that calculation, the value of the building would be \$199,531.00. The land is valued separately but would not be full value due to the damaged building still on the lot. There was a discussion on the value of the land. Mr. Castaneda noted that he received a bid for \$262,000.00 to clear the property for a buildable lot however that number is still not a hard value until after the insurance completes their investigation.

Commissioner Hall made a MOTION to use the value from 2021 of \$430,286.00 and set a value at 27% for the 2021 value in the amount of \$120,049.00. Commissioner Reinke SECONDED. Discussion Commissioner Hall noted that he felt the value was fair based upon state code. Commissioner Reinke noted he would be in favor of that value as well. Commissioner Johnson noted he felt the process was appropriate as well. Motion Passed Unanimously.
