Commissioners considered a property tax exemption for the Jae Foundation.

Brad Wills reviewed the property tax exemption for the Jae Foundation with the Board. The store at the Jae Foundation is more than 3% of the property and the Assessor’s Office had analyzed the exemption and recommended a 75% tax exemption. Mr. Wills noted Legal had reviewed this application.

Jamie Shetler, Jae Foundation representative noted after a review of the Code, “more than 3% of the property” being a store made sense and would be okay with a reduced tax exemption.

Commissioner Johnson noted during the last meeting that Jae Foundation was to present financial paperwork.

Commissioner Johnson made a MOTION to approve the property tax exemption for the Jae Foundation with a 75% property tax exemption as presented. Commissioner Reinke SECONDED. Motion Passed Unanimously.

Commissioners considered a property tax exemption for the Islamic Center of Twin Falls.

Brad Wills reviewed the property tax exemption for the Islamic Center of Twin Falls with the Board. Mr. Wills had re-reviewed the exemption with Legal. Upon research, the records noted there had been improvements on the property but currently the property does not qualify for an exemption under Code 63-602B. While under construction, only a portion of the property would be eligible for a tax exemption, but under State Code 63-1305C and the deadline for 2024 applications was April 15, 2024. It is recommended the organization reapply in 2025 when the tax exemption may apply. Mr. Wills noted that the use of a property on January 1, 2024 would determine qualification status for the 2024 tax exemption, as a result, this property did not qualify for the exemption under Code 63-602B.

There was further discussion on properties having conditional approval while under construction.

Imad Eujayl, Property Manager and spokesperson for Islamic Center of Twin Falls noted the process for a cemetery plot began in 2021. The City of Twin Falls had changed their mind in 2022 and that the Islamic Center would need to have the property be subdivided and would not be considered as a single plot. The City of Twin Falls had issued construction permits to the Islamic Center for property improvements. Mr. Eujayl noted the property is not abandoned and is still being worked on.

Commissioner Hall noted the challenge for this application is that it had applied for a tax exemption under a different State code which did not qualify the property for a tax exemption.

Mr. Wills noted that he was not aware of the Code 63-1305C until this year so he was not able to recommend the Islamic Center apply under that Code at the time the application was submitted. Mr. Wills recommended the tax exemption be denied.

Commissioner Johnson made a MOTION to approve property tax exemption for the Islamic Center of Twin Falls. Commissioner Reinke SECONDED. Discussion Commissioner Johnson recommended denial due to the application not meeting the requirements of state code. Motion Failed Unanimously.

There being no further business, the Board recessed until 8:00 a.m., May 14, 2024, at the Commissioners Chambers, second floor of the Twin Falls County West Facility, 630 Addison Ave West, Twin Falls, Idaho, for the transaction of further business of the Board.
