**HANSEN SCHOOL DISTRICT NO. 415
TWIN FALLS COUNTY, IDAHO
TO LEVY A PLANT FACILITY LEVY**

Shall the Board of Trustees of Hansen School District No. 415, Twin Falls County, Idaho be authorized and empowered to levy a plant facility levy, as permitted by law in Section 33-804, 33-804A, and 34-1401 Idaho Code for the amount of \$200,000.00 (Two Hundred Thousand dollars) each year for five (5) years for a total of \$1,000,000.00 (One Million dollars).) . If approved the estimated average annual cost to the taxpayer of the proposed levy, would be \$120 per \$100,000 of taxable assessed value, per year, based on current conditions. The purpose of the School Plant Facilities Fund Levy is to maintain, repair, and improve school facilities and grounds including but not limited to: renovation of the west wing of the elementary; maintain, remodel or repair any existing lighting, heating, cooling, ventilation and sanitation facilities and appliances; maintenance of parking lots and transportation needs as provided in the resolution of the Board of Trustees of Hansen School District No. 415 adopted on December 16, 2019. This will replace the existing School Plant Facility Levy in the amount of \$100,000 per year that was passed in 2016 for five (5) years, but if this fails the Levy of 2016 will remain valid for \$100,000 per year until 2021.
