

**November 3, 2020
General Election**

Pre-Registration—deadline October 9

You can register to vote online at Idahovotes.gov with a valid Idaho ID or Driver's License or at your county clerk's office by October 9. If you miss the deadline, you can register and vote during Early Voting or on Election Day at your polling place. If you have moved or changed your name since the last time you voted, you will need to re-register. You will need to provide a current Idaho Driver's License with current address or photo ID and proof of residence.

Absentee Ballots-deadline October 23

We only mail ballots to registered voters who have a request on file in our office by October 23. In May, we had an all-absentee election where many voters marked the box to get an absentee ballot for this November election. This is your official ballot.

Vote and Return your Absentee ballot

Please vote and return your absentee ballot as soon as possible. It must be in the Clerk's office by November 3 at 8:00 p.m. You can put one postage stamp on it and mail it back, drop it off at any three secured drop boxes at County West, or hand deliver it to our Election's office. You can track the status of your absentee ballot at Idahovotes.gov. If you have not returned your absentee ballot and want to vote at your polling place on Election Day, please contact our office.

Early Voting

Early voting runs Tuesday, October 13 through Friday, October 30, weekdays from 8:00 a.m. - 5:00 p.m. at County West, 1st floor. Our suggestion is to get in early - by the last three days you can expect to wait in line.

Election Day

Election Day is November 3. All polling places will be open. Polls will be open from 8:00 a.m. until 8:00 p.m. We will have electronic pollbooks to check in voters. Please wear a mask.

Sample Ballots and Contact Information
